

# Best Practices in Teaching Chinese

-an excellent teacher program

With fifteen (15) years of experience in STARTALK Chinese teacher training, the Bangor Chinese School/CLCCM offer this program to provide professional/best practice to teachers to improve their daily teaching in the classroom, and to reach each of their goals in teaching Chinese language and culture to our young generation.

**Attention: Teachers of Chinese, aspiring teachers, and interested others!**

- In person professional development experience
- Learn lesson design, national standards, foreign language teaching methods, instruction differentiation, assessments, and performance-based principles
- Obtain hands-on experience teaching Chinese in an actual class
- Gain information about Maine teacher certification and resources for teaching Chinese
- 3 CEUs credits will be available issued by University of Maine

**Dates and Times:** June 17 – July 1, 2024, 9:00 a.m. to 3:30 p.m.

**Location:** Bangor Chinese School and Husson University in Bangor, Maine

**To reserve your place**, please call us at (207) 990-0710 or email [jingzhang@bangorchinese.com](mailto:jingzhang@bangorchinese.com)

**\*Please register early as this is first come first serve**

We look forward to working with you in a challenging and fun summer experience!

Cost of the program will be free for local and \$265/week for residential participants, including registration fee, program fee, housing, and CEUs.
